

NEW KPSA WEBSITE

<https://www.pta-events.co.uk/kpsa/>

We know life is hectic, hopefully this will help! No more running around with cash trying to find that KPSA lady!

Register [here](#) to book tickets, volunteer, donate and buy second hand uniform through our secure new website. Your class reps will be sending out the password to sign up for the class mailing lists in the 'My Account' section.

THANK YOU !

The **Christmas Fair** raised a fantastic £1,800, wreath workshop £344 and Daylesford crafts £576.

Friends of Kingham Primary have already donated over £1,100 with Gift Aid this financial year. Almost 1 in 10 families are now a Friend of Kingham Primary School. Please consider joining them. If we all give a little regularly the impact would be transformative.

THIS YEAR YOU HAVE ALREADY FUNDED

Whole School Divali Workshop
Nursery- A listening station and a new sandpit.
Reception – A bookcase, an igloo, new games.
Year 1 – A new reading den, mat and cushions.

 KINGHAM PRIMARY SCHOOL ASSOCIATION presents

my
STYLISH
FRIEND

FRI 28 FEB

Buy your tickets now at <https://www.pta-events.co.uk/kpsa/>

**SWAP
DON'T
SHOP**

An evening of sustainable style advice & clothes 'swhopping'

An evening of sustainable style advice and clothes 'swhopping' with guest speaker Sophie (AKA @mystylisfriend) plus revamp tips from Catherina @MyEden a Kingham mum, vintage items from Jody @As Long As It Sparkles also a Kingham mum, and upcycled jackets and accessories from Kate @flowerfunky another Kingham mum. You are a creative bunch!

You will be able to choose a 'new to you' item for every item you donate, you will also be able to buy additional clothes on the evening. There's a bar too!

How Does it work? Bring your good quality unwanted clothes for swapping to the school office in a named bag between 10-14 February. We will then give you tokens to use at the swap and choose something new!

OUTDOOR LEARNING HUB

We already have a great outdoor classroom which is frequently used. The 'Outdoor Learning Hub' is about providing all the resources and equipment to really make the most of the forest area, the new pond, and the outdoor classroom to create opportunities for science, creativity and exploration for all classes.

Step 1 - Buy and install a new shed – ALREADY FUNDED

Step 2 - Fill it with wonderful resources for the children – we need your help with this

Step 3 – Get them outside and watch them grow!

If you would like to get involved, give, or think your business or company could help us achieve this please contact Katie at kpsa.kingham@gmail.com.

HOW CAN I HELP?

DONATE - at <http://pta-events.co.uk/kpsa/> Donating is the most effective way to support the school. As a charity KPSA can claim gift aid on your donations, increasing their value by 25% at no extra cost to you. If we all give a little regularly the impact would be transformative. **Every gift, whatever size makes a difference and all donations are completely confidential.**

VOLUNTEER – can you spare a couple of hours to help with any events, or serve or bake at Chastleton tea? Please let Katie or your class rep know.
