HOW CAN I HELP?

VOLUNTEER – can you spare a couple of hours to help with any events, or serving tea / mulled wine at the Christmas nativities; we especially need helpers for Daylesford on 1st Dec 10-12, and the Christmas fair set up on 12th and 13th Dec. Please let Katie or your class rep know – you'll make our day!

GIVE - the simplest and most effective way to support the school is by donating. For example, if each family gave just 50p a day, or £15 a month, we would raise around £30,000 each year, with gift aid. This really would be transformative. KPSA can claim gift aid on donations, increasing their value by 25% at no extra cost to you. A donation form is attached, they are also available from the school office. All donations are completely confidential.

WHATS IT ALL FOR?

KPSA raise funds to provide extra resources and opportunities to enhance all our children's education. This year we are raising money to create and resource an Outdoor Learning Hub. Every year, KPSA also fund the school workshops, extra resources for each class and some fun extras throughout the year.

THANK YOU

SO FAR THIS YEAR THE KPSA HAS ALREADY FUNDED
